SHERWOOD NEWS

CUSTOM PANELS MADE SIMPLE BY SHERWOOD LUMBER

Most buyers can agree that off-the-shelf panels don't always fit project specifications. Recognizing this, Sherwood Lumber now works with customers to develop custom panels to meet their project's unique needs. Whatever the project requirements, Sherwood carries a large variety of high-quality panel products that can easily be [...READ MORE](#)

INDUSTRY NEWS

A FRESH LOOK AT LUMBER IN A MATURE TEXAS MARKET

Although often thought of for oil and cattle, Texas also has deep roots in the lumber industry, dating back to the early nineteenth century. Sherwood Lumber entered the Texas market in the early 2000s with both a [...READ MORE](#)
