

SHERWOOD LUMBER: A FOCUS ON CEDAR

Sherwood Lumber has an expert cedar team in house to answer questions and help customers maintain and grow their cedar business. Available nationally, we're there for our customers with a well-stocked, diverse inventory that caters to all your building needs.

SERVICES WE PROVIDE:

- Highly mixed stop-over and full trucks (average 10-15 items per load)
- Quick shipment out of our West Coast facility (located in Spokane, WA)
- Specialty timbers order (job-specific)
- Specialty STK or clear orders (job-specific)
- Custom pack or unit sizes
- Custom manufacturing
- Diversified line of cedar products & multiple mill options
- We build programs around our customer's needs
- Extensive product and mill-specific knowledge
- Overall market knowledge
- Superb customer service

Please contact us with your cedar inquiries, job quotes, inventory needs or product questions.
